MEMORANDUM FOR: Office of Naval Intelligence,
Department of the Navy

ATTENTION: Commander F. Satterthwaite,
OP 922H2

25X1A9a

SUBJECT: Forthcoming Trip to Europe by [REDACTED]

25X1A9a

1. [REDACTED] of the Map Library Division, Central Intelligence Agency, will travel in Europe, Turkey and Iran to discuss matters pertaining to the collection of topographic maps of the Sino-Soviet Bloc.

25X1A9a

2. For more than two years, [REDACTED] has been participating in a special project to support the collection of topographic maps of the Sino-Soviet Bloc. He has assisted in the planning and direction of the project as well as the preparation of most of the guidance and requirements relative to this objective. During his trip overseas, [REDACTED] with respect to the requirements for these topographic maps, to learn from field collectors their problems and the types and amounts of general and specific guidance and operational support that might be supplied from Washington, and to do as much as possible in the way of searching out and assessing sources and capabilities, existing or potential, in the areas that he visits.
